

Sandberg Cyclone Headset

The Sandberg Cyclone Headset completely covers your ears, and with its high-quality surround sound, it practically immerses you in your games. The particularly sensitive microphone ensures that your opponents and allies can hear you clearly. The headset is of solid construction and comfortable to wear for long periods of time due to its soft headband padding. The earcups have built-in LED lights that change colour. Connect it to your PC directly via a USB port, and you can get started right away.
