

Sandberg Blue Storm Wireless Headset

Os Auscultadores Sandberg Blue Storm Wireless Headset ligam sem fios a um dispositivo Bluetooth, tal como telemóvel ou computador tablet. Controle remotamente o seu dispositivo Bluetooth com os comandos de faixa e volume localizados nos auscultadores. Permite-lhe efetuar chamadas sem mãos e sem fios.

GadgetGear says:

"A great gaming headset! The construction is very good. It looks cool and has a modest and slim design. The sound is fine, the bass is playing well and this undoubtedly enriches your gaming experience. I think it will be difficult to find a better, or even equivalent, headset in this price range."
