

Sandberg USB Mini DVD Burner

Double
Quality
Tested

The Sandberg USB Mini DVD Burner enables you to burn and read CDs and DVDs. This drive is the perfect addition to a computer without a CD drive or DVD burner. The drive is powered from your computer's USB port so that you can use it on the go without having to locate a power point. Also works well as a mobile DVD player for your netbook. No software installation is required, enabling you to use the drive instantly.
