

Sandberg USB 3.0 Hub 4 ports

Sandberg USB 3.0 Hub enables you to attach more USB 3.0 peripherals to your computer. The hub features built-in overload protection of your computer's USB 3.0 ports and the hub's ports from peripherals which overload them. Connect your hub using the cable supplied, and Windows® will install the necessary software automatically. It's as easy as that!

Nikktech says:

"This one performed on par and even better than the Mainboard USB 3.0.
Good product in the market which i strongly recommend.
"
