

Sandberg Wireless Charger Alu Dock 10W

With Sandberg Wireless Charger Alu Dock, you can charge your smartphone completely wirelessly! The charger can be kept magnetically in place in the supplied stylish aluminium holder so that it functions as a dock for your smartphone. Alternatively, you can use the charger separately as a practical charging plate. The charger is extra powerful at 10W and features two built-in coils, enabling fast charging of Qi-compatible 'fast charge' supporting smartphones. The charger also supports other Qi-compatible smartphones.
